10 Responses total in FY 2009 (Program Inception Year), 250 Responses total in FY 2010 and 40 Responses total in FY 2011 when authority expires. This is a nonmaterial change. This change is being requested as a result of American Reinvestment and Recovery Act. It is known as the Green Retrofit Program (GRP). The GRP will be administered by OAHP, which also administers the Mark-to-Market program. GRP shares in common with the Mark-to-Market program that it:

- will use the Mark-to-Market program underwriting for a project that is currently undergoing debt restructuring and is also accepted for GRP processing (current approvals such as 2502-0029, will continue to be used with no change in respondents or burden, as these properties were part of the originally approved universe.)
- will rehab properties using green building principles
- will monitor utility consumption relative to a baseline (updating existing approval to incorporate this new condition. Current approvals for financial and physical
- will include an affordability Use Agreement (current approval under 2510-0010)
- will include the Owner's commitment to elect to renew Expiring Contracts, using any available option (other than opting out), for a period of at least 15 years beyond the existing expiration of affordability requirements on the project,
- will provide opportunities for the Owner to earn incentive fees similar to those in M2M
