Private Institution of Higher Education. P. Individual. Q. For-Profit Organization (Other than Small Business). R. Small Business. S. Hispanic-serving Institution. T. Historically Black Colleges and Universities (HBCUs). U. Tribally Controlled Colleges and Universities (TCCUs). V. Alaska Native and Native Hawaiian Serving Institutions. W. Non-domestic (non-US) Entity. X. Other.	letter		FPDS USASpending	mandatory
ARRA-G	Recipient Account Number or Account Number	RecipientsAccountNumber	Recipient's internal account number for project/award. The account number or any other identifying number assigned by the recipient to the award. This number is strictly for the recipient's use only and is not required by the awarding Federal agency.	string		D&B CCR eSRS FPDS USASpending	optional
ARRA-H-1	Award/Grant Period: Starting Date	AwardBeginDate	Award/Grant Period (Starting Date): The date identified in the award document when Federal sponsorship begins. Note: Some agencies award multi-year grants for a project/grant period (e.g., 5 years) that are funded in increments known as budget periods or funding periods. These are typically annual increments. In those cases, this should be the starting date of the total project/grant period, not the individual budget period or funding period.	Date (YYYYMMDD)		FPDS USASpending	mandatory While this is an optional field in USASpending, it must be completed in federalreporting.gov if empty.

Section 1512 Data Standards

Item #	Descriptive Name of Data Element	Data Element - XML Tag	Definition	Type	Length	Existing Source Systems	Comment ("mandatory" means it must have a value)
ARRA-H-2	Award/Grant Period: Ending Date	AwardEndDate	Award/Grant Period (Ending Date): The date identified in the award document when Federal sponsorship ends. Note: Some agencies award multi-year grants for a project/grant period (e.g., 5 years) that are funded in increments known as budget periods or funding periods. These are typically annual increments. In those cases, this should be the ending date of the total project/grant period, not the individual budget period or funding period. For loans, this would be the end of loan repayment period.	Date (YYYYMMDD)		FPDS USASpending	mandatory While this is an optional field in USASpending, it must be completed in federalreporting.gov if empty.
ARRA-I	Reporting Period: Ending Date	ReportPeriodEndDate	Reporting Period End Date. The frequency of required reporting is quarterly. For quarterly reports, the following calendar quarter reporting period end dates shall be used: 9/30; 12/31; 3/31, or 6/30. For final reports, the reporting period end date shall be the end date of the project/grant period.	Date (YYYYMMDD)		eSRS USASpending FPDS	mandatory This date may be system generated to be the end date of each calendar quarter starting from the AwardBeginDate to the AwardEndDate.
ARRA-J	Final Recipient Report	FinalReport	Final Recipient Report Indicator (i.e. no future reports) (Yes or No) Check "yes" only if this is the final report for the project / grant period specified	yes/no		eSRS	mandatory This indicator would default to "Y" for the final quarter.
ARRA-K	Type of Assistance Transaction	AwardType	Transaction Type—Grant, Contract or Loan	string		FPDS USASpending FAADS+	mandatory This should be populated from existing source systems. It may not be edited in federalreporting.gov.
ARRA-S	Date of Award	AwardDate	Award Date (Date Signed)	Date (YYYYMMDD)		eSRS FPDS USASpending	mandatory This should be populated from existing source systems. It may not be edited in federalreporting.gov.
ARRA-1-01	Award Title or Name of Project or Activity	AwardDescription	Award Title Description w/ purpose of funding action. A brief descriptive title of the project or activity funded in whole or in part with Recovery Act funds. If this award funds multiple projects or activities, provide a descriptive title that captures the general focus area, e.g., "community development," "comprehensive community mental health services to adults with a serious mental illness," etc.	string	Variable (Maximum 4000 characters)	eSRS FPDS USASpending	mandatory This should be populated from existing source systems. It may not be edited in federalreporting.gov.
ARRA-1-02	Total Amount of Recovery Funds Received from Federal Agency/Total Funding Amount in USASpending	AwardAmount	Total Amount of Recovery Funds Received from Federal Agency - Federal Dollar Amount (cumulative)	Currency (Dollar value - numeric)		FPDS USASpending	mandatory This should be populated from existing source systems. It may not be edited in federalreporting.gov.
ARRA-1-03	Amount of recovery funds received that were expended to projects or activities	FedExpenditure	Amount of recovery funds received that were expended to projects or activities ("Federal Share of Expenditures"). the cumulative total for the amount of Federal fund expenditures. For reports prepared on a cash basis, expenditures are the sum of cash disbursements for direct charges for property and services; the amount of indirect expense charged; and the amount of cash advance payments and payments made to subcontractors, subawardees and vendors. For reports prepared on an accrual basis, expenditures are the sum of cash disbursements for direct charges for property and services; the amount of indirect expense incurred; and the net increase or decrease in the amounts owed by the recipient for (1) goods and other property received, (2) services performed by employees, contractors, subcontractors, subawardees, and other payees; and (3) programs for which no current services or performance are required. Do not include program income expended or in-kind contributions applied.	Currency (Dollar value - numeric)			mandatory mandatory
ARRA-1-04	Infrastructure investments	InvestmentCategory	Choose "Yes" if the awarding agency has determined that this award funds infrastructure investments by State/local governments. If no guidance has been provided by the awarding agency, choose "Yes" if the award funds a public building and/or a public work described in 2 CFR 176.140(a)(2).	yes/no			mandatory If "Yes," and investment made by State/local government, infrastructure questions beginning with ARRA-2-05 must be answered.

Section 1512 Data Standards

Item #	Descriptive Name of Data Element	Data Element - XML Tag	Definition	Type	Length	Existing Source Systems	Comment ("mandatory" means it must have a value)
ARRA-2-01	Description of Project or Activity (code)	Activity_code	Description of Project or Activity (NAICS code or NPC Core code). For awards funding infrastructure, provide the predominant North American Industry Classification System (NAICS) code (www.census.gov/eos/www/naics/) that best describes the Recovery Act infrastructure project or activity under this award. For all other awards, provide the National Center for Charitable Statistics "NPC Core" code (http://ncsdataweb.urban.org/PubApps/nteeSearch.php?qQry=all-core&codeType=NPC) that describes the predominant focus of the Recovery Act funded projects or activities under this award.	string	10	eSRS FPDS USASpending	mandatory The recipient should refer to the award document for the applicable NAICS Code (if any). Only one code may be entered for each project/activity record. If response to ARRA-1-04 is "yes," the NAICS code list will be Code list should be a picklist from code list at www.census.gov/eos/www/naics/ . If response is "no," user must select a three character code (e.g., A01) from the picklist or a more detailed/granular code, if any, (e.g., A01.02). Picklist should be from codes at http://ncsdataweb.urban.org/PubApps/nteeSearch.php?qQry=all-core&codeType=NPC . This should be added to the next FAADS Plus Format for submitting financial assistance data to USASpending.gov. It would be nice if the NAICS or NPC code description could display in any report tables or search tables.
ARRA-2-02	Description of Project or Activity (brief narrative)	Activity_description	Description of Project or Activity (brief narrative). A description of the overall purpose and expected outputs and outcomes or results of the award and first-tier subaward(s), including significant deliverables and, if appropriate, units of measure. For an award that funds multiple projects or activities, such as a formula block grant, the purpose and outcomes or results may be stated in broad terms unless each project/activity will be listed separately in this report.	string	2000	eSRS FPDS USASpending	mandatory
ARRA-2-03	Evaluation of completion status of the project or activity.	ProjectStatus	Evaluation of completion status of the project or activity. The status of the work that has been completed. This evaluation should be based on performance progress reports and other relevant non-financial performance information. Please choose one of the following options: 1-Not started; 2-Less than 50% completed; 3-Completed 50% or more; 4-Fully Completed.	numeric	1		mandatory Each project/activity entry will be a separate block of data. Submitter may enter multiple blocks of project/activity data.
ARRA-2-04-a	Narrative description of the employment impact of the Recovery Act funded work	JobNarrative	A narrative description of the employment impact of the Recovery Act funded work. This narrative is cumulative for each calendar quarter and at a minimum, will address the impact on the recipient's workforce, and the impact on the workforces of subrecipients and vendors. At a minimum, the recipient shall provide a brief description of the types of jobs created and jobs retained in the United States and outlying areas. "Jobs or positions created" means those new positions created and filled, or previously existing unfilled positions that are filled, as a result of Recovery Act funding. "Jobs or positions retained" means those previously existing filled positions that are retained as a result of Recovery Act funding. This description may rely on job titles, broader labor categories, or the recipient's existing practice for describing jobs as long as the terms used are widely understood and describe the general nature of the work. ALTERNATE METHOD: In those circumstances where the recipient employs an approved statistical methodology to generate estimates of job impact, thereby collecting data from a smaller subset of sub-recipients and vendors in order to extrapolate an estimate of job impact to all applicable subrecipients and vendors, the recipient must provide a description of the methodology used.	string	Variable (Maximum 4000 characters)		mandatory

Section 1512 Data Standards

Item #	Descriptive Name of Data Element	Data Element - XML Tag	Definition	Type	Length	Existing Source Systems	Comment ("mandatory" means it must have a value)
ARRA-2-04-b	An estimate of the number of jobs created and retained	JobNumber	Jobs created and retained. An estimate of the number of jobs created and jobs retained in the United States and outlying areas. At a minimum, this estimate shall include any new positions created and any existing filled positions that were retained to support or carry out Recovery Act projects or activities managed directly by the recipient and by subrecipients and vendors. The number shall be expressed as "full-time equivalent" (FTE), calculated cumulatively as all hours worked divided by the total number of hours in a full-time schedule, as defined by the recipient. For instance, two full-time employees and one parttime employee working half days would be reported as 2.5 FTE in each calendar quarter. A job cannot be reported as both created and retained. As used in this instruction, United States means the 50 States and the District of Columbia, and outlying areas means— (1) Commonwealths. (i) Puerto Rico. (ii) The Northern Mariana Islands; (2) Territories. (i) American Samoa. (ii) Guam. (iii) U.S. Virgin Islands; and (3) Minor outlying islands. (i) Baker Island. (ii) Howland Island. (iii) Jarvis Island. (iv) Johnston Atoll. (v) Kingman Reef. (vi) Midway Islands. (vii) Navassa Island. (viii) Palmyra Atoll. (ix) Wake Atoll.	numeric	10		mandatory number could be "0" but there must be a number
ARRA-2-05	For infrastructure investments made by State and local governments: Total cost of infrastructure investment made by State and Local governments	TotalInfrastructureExpenditure	Total cost of infrastructure investment made by State and Local governments. Provide the cumulative total cost of investment. This amount should include the total cumulative federal expenditures and nonfederal expenditures for the infrastructure investment: Federal (Recovery Act funds): \$. Federal (non-Recovery Act funds): \$. NonFederal: \$.	Currency (Dollar value - numeric)	20		mandatory for those state/local government recipients that marked "yes" to infrastructure question
ARRA-2-05-a	For infrastructure investments made by State and local governments: Federal (Recovery Act funds) expended	TotalFedARRAExpenditure	Total federal ARRA expenditure	Currency (Dollar value - numeric)	20		mandatory for those state/local government recipients that marked "yes" to infrastructure question A valid response is "0" dollars. These amounts should be cumulative so the next quarters amount should be greater than or equal to the previous quarter's amount unless an error was made in the prior quarter.
ARRA-2-05-b	For infrastructure investments made by State and local governments: Federal (non-Recovery Act funds) expended	TotalFedNonARRAExpenditure	Total federal non-ARRA expenditure	Currency (Dollar value - numeric)	20		mandatory for those state/local government recipients that marked "yes" to infrastructure question A valid response is "0" dollars. These amounts should be cumulative so the next quarters amount should be greater than or equal to the previous quarter's amount unless an error was made in the prior quarter.

ARRA-3-10-e	Description of Subaward or Subcontract or Vendor Payment (brief narrative)	SubActivity_description	Description of Subaward or Subcontract or Vendor Payment (brief narrative). A description of the purpose of the subaward or subcontract. For vendor payment, provide a brief description of what was purchased.	string	100	eSRS FPDS USASpending	mandatory
ARRA-3-11-a	Subrecipient or Subcontractor: Self-certification of public access to information on five most highly compensated officers of the entity	SubCompensationCert	Subrecipient or Subcontractor self-certification of public access to information on five most highly compensated officers. "Does the entity certify that the public has access to information about the compensation of the senior executives of the entity through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986 [26 USC § 6104]? ("Yes/No") of the subrecipient entity."	yes/no	3		mandatory If the response is "Yes," the subcontractor/subrecipient is exempt from reporting the information under ARRA-3-11-b or ARRA-3-11-c. A note should appear on the screen that explains this. The system should tag the entity as not having to report information on its executive compensation for the next 12 months. This would not prevent the recipient from reporting the information, or from requiring its subs to report the information directly into the system.
ARRA-3-11-b	Subrecipient or Subcontractor: For the five most highly compensated officers of the entity, the names	SubRecipientOfficerName(5)	(1) the recipient in its preceding fiscal year received— (a) 80 percent or more of its annual gross revenues in Federal awards; and (b) \$25,000,000 or more in annual gross revenues from Federal awards; and (2) the public does not have access to information about the compensation of the senior executives of the entity through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986 [26 USC § 6104]. "Total compensation" means the cash and noncash dollar value earned by the executive during the subrecipient's past fiscal year of the following (for more information see 17 CFR 229.402(c)(2)): (i). Salary and bonus. (ii). Awards of stock, stock options, and stock appreciation rights. Use the dollar amount recognized for financial statement reporting purposes with respect to the fiscal year in accordance with FAS 123R. (iii). Earnings for services under non-equity incentive plans. Does not include group life, health, hospitalization or medical reimbursement plans that do not discriminate in favor of executives, and are available generally to all salaried employees. (iv). Change in pension value. This is the change in present value of defined benefit and actuarial pension plans. (v). Above-market earnings on deferred compensation which are not taxqualified. (vi). Other compensation. For example, severance, termination payments, value of life insurance paid on behalf of the employee, perquisites or property if the value for the executive exceeds \$10,000.	string	55		mandatory if response to ARRA-3-11-a is "No."
