Reviewer Comment Form

The attached project plan is assigned to other members of your panel for an in-depth peer review. Your general comments on the project plan are desired for support of your panel's discussions. Use the space below to record your comments or questions about the attached project plan you want considered by the Primary review in preparing the consensus review. You may hand-write comments.

Public Burden Statement: According to the Paperwork Reduction Act of 1995, an Agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB number. The valid OMB control number for this information collection is 0518-0028. The time required to complete this information collection is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
