

# 2009 Census Of Horticulture

---

The Census of Horticultural Specialties, conducted once every 10 years, provides the only comprehensive, detailed picture of U.S. floriculture, nursery and specialty crop operations.

It's time to share your voice and help show the nation the value and importance of these industries to American agriculture. Your responses will help shape decisions regarding farm policy, funding availability, research and development and other issues.

*Look for the 2009 Census of Horticultural Specialties in your mailbox. It's your voice, your future and your responsibility.*
