Dear

The individual cited on the second page of this form is applying for an appointment in the National Oceanic and Atmospheric Administration's Commissioned Officer Corps (NOAA Corps), a uniformed service of the United States. This person has furnished your name as a reference.

NOAA Corps applicants must be college graduates with a solid science, math or engineering background. Critical character traits include maturity, intelligence, high moral standards, and strong leadership potential. Those who are selected will have an opportunity to serve their country by leading discovery and exploration of the Earth's oceans, coasts, and atmosphere to improve understanding of the global environment.

Commissioned personnel who cannot adjust to service life must be separated, causing emotional stress to the individual as well as loss to the Government. By giving your honest opinion of this applicant's officer potential, you will be providing an invaluable service to both the applicant and the National Oceanic and Atmospheric Administration.

Your candid response to each question listed on the attached form will be of great assistance in determining the applicant's potential for success as a NOAA Corps officer. If you would like to provide additional comments regarding the applicant's character, background and activities, you may attach a letter to this completed form.

Please mail this form with any attachments to the Officer Recruiting Branch at the following address:

Officer Recruiting Branch NOAA Commissioned Personnel Center 8403 Colesville Road, Suite 500 Silver Spring, MD 20910

Sincerely,

Chief, Officer Recruiting Branch
