c. Executive Summary

Direction for Written Responses: **Pages limits are designated for all requested written responses. Per instructions in the NOFA, please use 12 point font with one-inch margins.**

7. **Executive Summary of Overall Proposal:** Please provide an Executive Summary of the proposed Project. The Executive Summary should be a brief description of the Project, and address the following topics. [Two Page Limit]
- a. A statement of the problem or need your project addresses with regard to improving broadband service adoption rates
 - b. Your overall approach to addressing the need, and [for Sustainable Adoption projects] how your approach is innovative
 - c. Area(s) to be served; population of the target area(s), including demographic information; and [for Public Computer Centers] the estimated number of potential users of your public computer center(s) or [for Sustainable Adoption projects] the estimated number of potential broadband subscribers your project will reach
 - d. Qualifications of the applicant that demonstrate the ability to implement the project and achieve its intended results
 - e. Jobs to be saved or created
 - f. Overall cost of the proposed project

D. Project Purpose

Project Purpose: Recovery Act & BTOP Objectives

8. Project Purpose: Referring to Application Guidance for this section, in a comprehensive overview of your Project, please clearly and concisely describe the following. Please provide specific data and relevant analysis to support your claims. [Two Page Limit]

- The significance of the problem to be addressed
- The degree to which the proposed solution effectively addresses the problem and could be replicated by other organizations
- The degree to which both the problem and proposed solution advance one or more of the five BTOP statutory purposes

• Provide broadband access to consumers in unserved areas
• Provide improved broadband access to consumers in underserved areas
• Provide broadband education, awareness, training, access, equipment, and support to community anchor institutions, job-creating strategic facilities, and vulnerable populations
• Improve access to and use of broadband by public safety agencies
• Stimulate demand for broadband

- If your Project incorporates more than one BTOP program category (Broadband Infrastructure, Public Computer Centers, and Sustainable Broadband Adoption) or statutory purpose (listed above), please describe how this Project will reinforce your other program objectives.

9. Recovery Act and Other Governmental Collaboration. Describe how your project will leverage Recovery Act or other federal or state developmental programs. Please identify the programs themselves and the dollar value associated with each. In addition, describe how the collaboration can lead to greater project efficiencies. [One Page Limit]

10. Enhanced Services for Health Care Delivery, Education and Children. If applicable, describe how your project will enhance broadband service for health care delivery, education, and children as contemplated by the Recovery Act. Projects would need to demonstrate that they go beyond providing access to broadband to include more robust educational, health care, or related broadband service delivery. [One Page Limit]

11. Small and Disadvantaged Business Involvement. F. Project Viability

Technical Viability

- 28. Technology Strategy. For Sustainable Adoption projects:** Explain the mechanics and operational details of your project and how your approach is an effective and appropriate means of creating sustainable adoption in your target population. Explain how your innovative solution(s) would be feasible in other situations. [Two Page Limit] **For Public Computer Center projects:** Please describe the overall technology plan you intend to deploy in your program. If appropriate, please include engineering certifications for broadband network WAN / LAN build-outs, what primary types of network equipment and technology you plan to use, and how you will ensure a reliable, secure, and user-friendly system for the public users of your broadband access facilities. [Two Page Limit]

Organizational Capability

- 29. Management Team Resumes.** Provide resumes and/or biographical summaries for the members of your senior management team and project team, emphasizing skills and experience relevant to the proposed program. Please refer to specific projects and outcomes that demonstrate the team's ability to execute this project based on past experience, and to manage federal funds effectively. [Each resume can be up to one page; limit biographical summaries to 1/2 page.]
- 30. Organizational Readiness.** Please describe key factors that demonstrate your organization will be prepared to implement, operate, and sustain your project using federal funds. Include past experience in managing projects of comparable size and complexity. [One Page Limit]
- 31. Organizational Chart.** Please attach a chart describing how the project team relates to the overall structure of your organization.

Community Involvement

- 32. Key Partners.** Provide a list of key partners (from the public, private and non-profit sectors), including community anchor institutions and public safety entities, community organizations, vendors or contributors of in-kind or cash support, and/or other resources which are integral to the success of this project. G. Project Budget & Sustainability

Project Profile: Budget and Budget Narrative

37. **Budget Narrative.** Please provide a narrative that explains the project budget (as proposed on SF-424 A and/or SF-424 C) and spending plan (timeline) in sufficient detail for reviewers to determine whether the expenditures are necessary and appropriate to the solution you are proposing. [Two Page Limit]
38. **Budget Reasonableness.** Concisely and convincingly explain why the costs you propose are reasonable to carry out your project, are eligible, and the allocation of funds will be sufficient to complete the tasks outlined in the project plan. Provide any relevant data and summaries of your analysis. [One Page Limit]
39. **Demonstration of Financial Need.** Provide documentation that the project would not have been implemented during the grant period without federal grant assistance. This documentation may consist of, but is not limited to, such items as a denial of funding from a public or private lending institution, denial of a funding request from a foundation or other organization, or a current fiscal year budget that shows the lack of available revenue options for funding the project.
40. **Historical Financial Statements.** Provide detailed organization financial statements for the last two years: a) Income Statement; b) Balance Sheet; and c) Statement of Cash Flows. If your organization was established less than two years ago, provide all available information.

Project Profile: Long Term Sustainability

41. **Sustainability. For Sustainable Adoption programs:** Please indicate whether and how the project will be sustained beyond the funding period. Also discuss how the projected increases in broadband adoption rates will be sustained beyond the grant period. **For Public Computer Center programs:** Explain how your project will enable your centers to sustain themselves, providing ongoing services and maintaining community support beyond the scope of this grant. [One Page Limit]

Project Profile: Outside Leverage

42. **Matching Funds.** If you have not requested a waiver of this requirement, please describe the matching funds (both cash and in-kind) you plan to devote to this project and document their source(s), include the percentage of your matching funds and whether the match is all cash. Attach letters of commitment from proposed sources, if applicable. **If you have requested a waiver of the matching requirement, provide a letter attachment clearly defining your need. An applicant applying for a waiver should submit complete financial documentation, including its assets, liabilities, operating expenses and revenues, and any other documents that would demonstrate financial need, such as a denial of funding from a public or private lending institution.**
