

CHANGE REQUEST

Date: May 29, 2009

OMB Control No.: 0920-0800

Agency/Subagency: HHS/CDC

Current Title: Focus Group Testing to Effectively Plan and Tailor Cancer Prevention and Control Communication Campaigns—NEW

Type of Change: Delete the word “New” from the title

Proposed New Title: Focus Group Testing to Effectively Plan and Tailor Cancer Prevention and Control Communication Campaigns

JUSTIFICATION

A New ICR was approved by OMB on 01/08/2009 without changes (see ICR Reference No: 200810-0920-001). The word “*new*” was added in error and it only describes the ICR submission classification.

The project title currently posted on RegInfo.gov and OMB’s Notice of Action do not reflect the requested title change. CDC requests an update to the title of the project.
