

CONFIDENTIALITY AGREEMENT WITH LOCAL SITE RECRUITERS

As a Local Site Recruiter, I agree to the following conditions relating to the handling and use of screening data for ICF Macro’s concept and message testing focus groups related to breast cancer screening:

- I will keep the screening data in secure place to eliminate any third party access to the data.
- I will not share the screening data with any third party.
- I will not copy the screening data for any unauthorized third party (or without approval from ICF Macro).
- I will protect the identity of all participants from unapproved third parties.
- I will handle hard copies of the screening data in a secure manner to eliminate any third party access to the data.
- I will not use knowledge gained from screening data for personal gain.
- When instructed by ICF Macro, I will return all screening data to their care.

My signature below indicates that I, as a Local Site Recruiter, understand the conditions stated above and that all employees involved with this project agree to comply with them.
