

SAMPLE OF PREVIOUSLY APPROVED SURVEY INSTRUMENT

OMB #: 0925-0476
Exp. Date: 07/31/2009

Assessment of user experience with Asian American Health web portal as a professional resource:

Are you a professional working with American Asian populations? Does your work involve sharing health-related information?

If so, we need your help to make improvements to the Asian Americans Health portal developed by the Specialized Information Services, US National Library of Medicine. Please consider participating in our brief survey about professional's' experience with the portal.

The survey is anonymous - we will not ask your name or collect any identifying information. Depending on your answers, the survey will consist of up to 14 questions; completing the survey takes approximately 15 minutes.

We appreciate your time and assistance to our project!

*Public reporting burden for this collection of information is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. **An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.** Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0476). Do not return the completed form to this address.*
