Introduction

Thank you for accessing the customer satisfaction survey for Finalists. You recently completed the interview portion of the review process as part of the NIH Director's Early Independence Award (RFA-RM-11-007 <http://grants.nih.gov/grants/guide/rfa-files/RFA-RM-11-007.html>). This is an opportunity for you to share your experience with the interview process and provide feedback. The survey should take approximately **15 minutes** to complete. There are no right or wrong answers, and you may skip any questions that you do not wish to address.

The website for the survey will be open from [INSERT START DATE] to [INSERT START DATE] (11:59 pm Eastern Daylight Time).

Privacy and Participation

Your participation is voluntary and non-participation will have no impact on you or your institution. Your responses will be kept private. If you choose to participate, your privacy will be protected to the extent permitted by law, and will not be disclosed to anyone but the researchers conducting this study, except as otherwise required by law. You will not be identified by name and information from the study will only be reported in the aggregate. Your responses will be combined with those of other respondents in the final report. Responses will be used solely for the purpose of program improvement. Any identifiers (e.g., names, institutions, e-mail addresses, etc.) will be removed when responses are compiled. No proprietary, classified, confidential, or sensitive information should be included in your responses.
