

Rivers, Trails, and Conservation Assistance

Page 1 - Introduction and Information

This is a government-mandated satisfaction survey for the **National Park Service Rivers, Trails and Conservation Assistance Program (RTCA)**. We are contacting you because you received assistance for RTCA in fiscal year 2010 (October 1, 2009-September 30, 2010).

The Government Performance and Results Act (GPRA) of 1993 calls on every federal agency to seek feedback and evaluate how effectively it is performing its job. We have created a short survey to evaluate the effectiveness of the FLP program and encourage you to provide us with your feedback.

We estimate completing the survey will take ten minutes. If you have any difficulties accessing the electronic survey, please contact _____, Survey manager at (202) 354-69## or via e-mail at _____@nps.gov.

Participation in this survey is voluntary and all answers will remain anonymous. We appreciate your time in providing us feedback.
