## Bureau of Labor Statistics Census of Fatal Occupational Injuries Program

## APPLICATION FOR ACCESS TO THE CFOI RESEARCH FILE

The Census of Fatal Occupational Injuries (CFOI) Research File contains data collected from various data sources, in most cases under a pledge of confidentiality with the understanding that the information will be used for statistical and research purposes only. Although State codes and all personal identifiers have been excluded from the file, it may be possible to discover the identity of a decedent or business establishment. The CFOI Research File is available to those researchers who agree to protect the confidentiality of the data and who have safeguards in place to do so. Upon approval of this application, the Bureau of Labor Statistics (BLS) will prepare an agreement which must be approved and signed by a BLS official and an official of the recipient's organization (specified below in part 6) prior to release of the research file. By signing the agreement, the researcher and the researcher's organization agree to adhere to the BLS confidentiality policy, as applicable to the CFOI Research File. In addition, all individuals who will have access to the CFOI data (specified below in part 7) must sign an Agent Agreement (acknowledging their understanding of the BLS confidentiality policy) prior to accessing the CFOI data.

all		ecified below in part 7) must sign an Agent Agreement (acknowledging for to accessing the CFOI data.
