

**OMB # 1545-0720**

Forms 8038, 8038-G, and 8038-GC collect the information that IRS is required to collect by Code section 149(e).

There were no changes to the forms previously approved by OMB however corrections were made to the burden estimates to accurately reflect the burden associated with each individual document. These corrections result in a burden increase of 537,814 hours over what was previously approved by OMB.
