What Is the Purpose of This Form?

This form is for current or former members of the U.S. Armed Forces who are applying for naturalization under the Immigration and Nationality Act. Completion and certification of this form by the applicant and certifying official will serve as an authenticated certification of military service. Submit all pages of the form.

Failure to provide the information requested, with the exception of your U.S. Social Security Number (SSN), may delay a final decision or result in denial of your Form N-400, Application for Naturalization. Your application will not be denied for failure to provide your SSN; however, it may prove difficult to verify your military service if you do not provide it since military records are indexed by SSN.

All or part of the information solicited may as a matter of routine use be disclosed to courts exercising naturalization jurisdiction and to other Federal, State, local, and foreign law enforcement and regulatory agencies, the Department of Defense, including any component thereof, Selective Service System, Department of State, Department of the Treasury, Central Intelligence Agency, Interpol, and individuals and organizations that process the application for naturalization, or during the courses of investigations, to elicit further information required by USCIS to carry out its functions.

Failure to provide any or all of the solicited information may delay the naturalization process or result in a failure to locate military records or prove qualifying military service.

N-426, Request for Certification of Military or Naval Service

Department of Homeland Security
U.S. Citizenship and Immigration Services

Persons who are serving or have served under specified conditions in the Armed Forces of the United States are granted certain exemptions from the general requirements for naturalization. To establish eligibility, the law requires the department with custody of the service record to certify whether the service member served honorably, and whether each separation from the service was under honorable conditions. Certification of the service member's military service listed on this form is required. **Submit this form with Form N-400, Application for Naturalization.** If the service member was issued Form DD 214, Certificate of Release or Discharge from Active Duty, attach a photocopy.
