

## **Narrative of Revisions**

*The purpose of the Narrative of Revisions is to clearly indicate revisions to a collection since the previous approval*

Collection Title: Welding and Hot Work Permits; Posting of Warning Signs

OMB Control No.: 1625-0016

Current Expiration Date: 04/30/2010

Collection Instruments: CG-4201 and Instructions

The following listed below are revisions to the collection:

- Increase in burden (respondents/responses/burden hours) is due to an increase in the facility population. The Coast Guard is not proposing a change to the reporting or recordkeeping requirements, or a change to the methodology for calculating burden.
- USCG has created printable instructions for this collection of information.
- Updates are provided for cost burden and government cost associated with this collection of information.
