*The purpose of the Narrative of Revisions is to clearly indicate revisions to a collection since the previous approval*

Collection Title: Nondestructive Testing of Certain Cargo Tanks on Unmanned Barges

OMB Control No.: 1625-0052

Current Expiration Date: 01/31/2010

Collection Instruments: Instructions

The following listed below are revisions to the collection:

- USCG has created printable instructions for this collection of information
- There has been an increase in burden. This increase in burden can be attributed towards the increase in the population of vessels.
- Updates have been provided for government cost and burden cost associated with this collection of information
