Supporting Statement Lien Notice 1651-0012

A. Justification

- 1. Carriers, Cartmen and similar persons or firms which transport and handle imported merchandise depend for their livelihood on the payment by importers, consignees and their agents for services rendered. To protect their interest in the goods, Section 564, Tariff Act of 19, as amended (19 U.S.C. 1564) provides that the claimant of a lien for freight or can notify Customs and Border Protection (CBP) in writing of the existence of a lien, and Customs shall not permit delivery of the merchandise from the public stores or a bonded warehouse until the lien is satisfied or discharged. 19 CFR 141.112 provides that the lieu claimant shall file his claim of lien on Form 3485.
- 2. The data collected on CBP Form 3485 is used by CBP officers to assure that liens have been satisfied or discharged before delivery from public stores or bonded warehouses and to assure that proceeds from public auction sales are duly distributed to lienholder. Form 3485 is usually prepared and submitted to CBP by carriers, cartmen and similar persons or firms. Frequently, the person filing the lieu is an agent of a corporation or business.
