This change is being requested as a result of American Reinvestment and Recovery Act. It is known as the Green Retrofit Program (GRP). The GRP will be administered by OAHP, which also administers the Mark-to-Market program. The form HUD 91725, Guide for Opinion of Mortgagor's Counsel is required to provide comfort to HUD and the mortgagee in multifamily rental and health care facility mortgage insurance transactions and similarly to HUD and owners in the capital advance transactions.

Under the GRP program the new form HUD-91725-GRP does not involve any new information collection beyond what is already occurring, therefore no increase or decrease in burden hours per response is being reported. For clarity the following modifications have been made:

1. **Updated information** - Statute requirements, HUD Representation and Legal Description
2. **Deleted information** - Regulatory information, Financing statement information, Security Agreement, Building Loan information, Zoning information, Flood Insurance, Judgment search, Instructions, Title policy and Loan documents.
3. **New information** - consents from lien holders. (Page 7, paragraph 7)
