## **Former POW Medical History**

The Paperwork Reduction Act of 1995 requires us to notify you that this information collection is in accordance with the clearance requirements of section 3507 of the Paperwork Reduction Act of 1995. The public reporting burden for this collection of information is estimated to average 90 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Respondents should be aware that not withstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number. This is intended to provide your physician with a detailed history and physical for use during a physical examination. Failure to provide the data will have no adverse effect on benefits to which you might otherwise be entitled. PRIVACY ACT INFORMATION: The information requested on this form is solicited under the authority of Title 38, U.S.C., Part I, Chapter 5, Section 527 that authorizes the collection of data that will allow measurement and evaluation of the Department of Veterans Affairs Programs. The purpose(s) for collecting the information is in response to Public Law 97-37, the "Former Prisoner of War Benefits Act of 1981," that liberalizes eligibility requirements and extends the existing benefits. Your obligation to respond is voluntary. Information from the data collection will become part of a system of records that complies with the Privacy Act of 1974. This system is identified as "Patient Medical Record -VA (24VA19)" as set forth in the Compilation of Privacy Act Issuances via online GPO access a thirty.//www.opaccess.org/privacyact/index.html
