DTV Quarterly Activity Station Report

Instructions

This form must be filed by all broadcasters subject to the requirements of 47 C.F.R. §§ 73.3526 and 73.3527. It should be used to provide the Federal Communications Commission (FCC) with information pertaining to all station activity to educate consumers on the transition to digital television (DTV). All stations should log DTV Transition-Related Public Service Announcement (PSAs) and other DTV activities using the appropriate house (identification) numbers. These logs or records should include the date and time that each DTV activity occurred. This form must be filed using the Broadcast Radio and Television Consolidated DataBase System (CDBS), and placed in the station's Public Inspection File and public website, if such exists. For more information on filing via CDBS, please visit: http://www.fcc.gov/mb/cdbs.html. This form must continue to be filed for each quarter in which a station has DTV Transition education obligations.

Section A (For broadcasters electing Option One)

On its analog channel, and its primary digital stream, a station must air three transition PSAs, and run three transition crawls, in every quarter of every day. Stations are required to air PSAs or crawls at various times in any given day part, and at least three PSAs and three crawls per day must be run during primetime hours. On-air education must not contain inaccurate or misleading statements and must be provided in the same language as a majority of the programming carried by the station. PSAs must be at least 15 seconds, and closed-captioned. Crawls must run during programming for no fewer than 60 consecutive seconds across the bottom or top of the viewing area (See rules for additional details).

Have you aired a sufficient number of eligible PSAs (84 per week) during the correct quarters of the day?
Yes No
Have you aired a sufficient number of eligible crawls (84 per week) during the correct quarters of the day?
Yes No
Beginning April 1, 2009, Option One stations must also provide information about antenna use, the need for rescanning and walk-in DTV help centers. These notices must be aired for no fewer than 15 seconds each, at least once per day between 8 a.m. and 11:35 p.m., and at least three times per week between 8 p.m. and 11 p.m. in the Atlantic, Eastern and Pacific time zones, and between 7 p.m. and 10 p.m. in the Mountain, Central, and Alaskan time zones, until the station terminates analog programming, completes construction of its post-transition digital facility, and begins operation of that facility. The station may replace up to 25 percent of their daily PSAs and crawls with each type of notice (stations may choose alternative on-air methods to comply with these notice requirements, but if so they may not be counted toward the transition PSA/transition crawl obligations. See 47 C.F.R. § 73.674(b)(6)-(8) for additional details).
Have you aired a sufficient number of antenna information notices this quarter (one per day and at least three per week during primetime)? Yes No
Have you aired a sufficient number of rescanning notices this quarter (one per day and at least three per week during primetime)? Yes No
Have you aired a sufficient number of help center notices this quarter (one per day and at least three per week during primetime)?
Yes No
Comments (add additional sheets where necessary):

Section B (For broadcasters electing Option Two)

On its analog channel, and its primary digital stream, a station must run an average of 16 transition-related PSAs and 16 transition-related crawls, snipes, and/or tickers per week in each quarter, all between the hours of 5 a.m. and 1 a.m. It must also run one 30 minute DTV-related informational program at least once, and one Countdown piece per day during the days prior to the conclusion of the transition. Comment boxes MUST be used to describe these compliant activities (See rules for additional details).

Section E (Service Loss Notices)

This section should only be completed by a station if the FCC's Signal Loss Report, available on http://www.dtv.gov, predicts that 2 percent or more of the population in that station's Grade B analog service contour will not receive that station's digital signal (See 47 C.F.R. § 73.674(b)(5) for additional details). "Phased transition" stations are exempt from this requirement unless their full authorized facility is predicted to experience this 2 percent or greater loss.

A station that will experience a substantial service loss when transitioning from analog to digital must air service loss					
notices, of no fewer than 30 seconds, daily between 8 a.m. and 11:35 p.m. At least three service loss notices per week must air between 8 p.m. and 11 p.m. in the Atlantic, Eastern and Pacific time zones, and between 7 p.m. and 10 p.m. in the Mount, Central, and Alaskan time zones. Did your station run these notices, in addition to any other consumer					
					education efforts required by these rules?
					Yes No
