Survivor Questionnaire

Section 7(b) of the Railroad Retirement Act (RRA) of 1974 authorizes the U.S. Railroad Retirement Board to gather information and records needed to assure proper administration of the RRA. The information obtained from this questionnaire will be used for determining whether benefits are payable under the RRA. Although you are not required to furnish this information which is necessary to determine eligibility for benefits, if you fail to do so, nonpayment of benefits may result.

We estimate this form takes an average of 10 minutes per response to complete, including the time needed for reviewing the instructions, getting the needed data, and reviewing the completed form. Federal agencies may not conduct or sponsor, and respondents are not required to respond to, a collection of information unless it displays a valid OMB number. If you wish, send comments regarding the accuracy of our estimate or any other aspect of this form, including suggestions for reducing completion time, to Chief of Information Resources Management, Railroad Retirement Board, 844 North Rush Street, Chicago, Illinois 60611-2092.
