Data on the quantity of hay sold are needed to estimate the marketing of hay by months. Information covering your operation will be kept confidential and will be combined with others in the State to set estimates. Response to this survey is voluntary. However, your report will contribute to more accurate estimates for the State. A prompt response will be appreciated.

Thank you for your cooperation.

Please make corrections to name, address and Zip Code, if necessary.

Report for the farm or ranch you operate

1. Please report tons of hay harvested during 2006 and the total tons sold during the 12 months ending April 30, 2007.
 If you do not have exact figures please estimate.
