

RECORD OF WATER DIVERTED FROM
LAKE MEAD AND/OR THE COLORADO RIVER
FOR USE IN THE STATE OF NEVADA

For period beginning _____ and ending on _____

Contract No. _____

Name of Contractor _____

Reporting period is: (Check appropriate blank)

Monthly _____ Bi-monthly _____ Quarterly _____ Semi-annual _____ Annual _____

Type of Meter: _____
(Totalizing Meters)

<u>Identification of meter location</u>	<u>Meter reading at beginning of period</u>	<u>Meter reading at end of period</u>	<u>Difference</u>	<u>Constant for conversion to acre-feet</u>	<u>Acre-feet</u>
---	---	---	-------------------	---	------------------

Total Acre-feet _____

Remarks:

Note: Report to be prepared (in triplicate) no later than 5th day following end of reporting period

Mail white copy to: Regional Director, Attn: BCOO-4600, Bureau of Reclamation,
P.O. Box 61470, Boulder City, NV 89006-1470

Blue copy to be retained by Contractor

Mail pink copy to: Colorado River Commission of Nevada
555 East Washington Avenue, Suite 3100, Las Vegas, Nevada 89101

INSTRUCTIONS FOR COMPLETING FORM LC-72

Paperwork Reduction Act Statement: This information is being collected to prepare and maintain complete, detailed, and accurate records of diversions of Colorado River water, return flow to the river, and consumptive use in compliance with the decree entered by the Supreme Court on March 9, 1964 (376 U.S. 340) in *Arizona v. California*. Response to this request is required in order to obtain a benefit in accordance with Section 5 of the Boulder Canyon Project Act (BCPA) of December 21, 1928 (45 Stat. 1057, 43 U.S.C. 617). An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the form displays a currently valid Office of Management and Budget (OMB) control number.

Estimated Burden Statement: Public reporting burden for this form is estimated to be 30 minutes per response for each monthly report, and 3 hours per response for the annual report, including the time for reviewing instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding the burden estimate or any other aspect of this form to the Bureau of Reclamation, Boulder Canyon Operations Office, Attention: BCOO-4445, P.O. Box 61470, Boulder City, NV 89006-1470.

Instructions: Please type or print legibly the following information:

1. In the top section of this form:
 - a. The beginning and ending dates for the report period.
2. In the middle section of this form:
 - a. Contract number of contract for delivery of Colorado River water
 - b. Name of the Contractor
 - c. A checkmark to indicate the frequency of the reporting period
 - d. The type of meter
3. In the bottom section of this form, for each meter:
 - a. Where the meter is located
 - b. Meter reading at beginning of period
 - c. Meter reading at end of period
 - d. Difference between beginning and ending meter readings
 - e. Constant for conversion to acre-feet
 - f. Acre-feet
4. In the bottom section of this form, sum all meters for total acre-feet.
5. Return the white and pink copies of the completed Form LC-72 to the addresses shown at the bottom of the form.

Contractor: _____ Contract Number: _____

DIVERSIONS OF COLORADO RIVER WATER AND RETURN FLOW FOR
 MUNICIPAL, INDUSTRIAL, AND DOMESTIC USES IN THE STATE OF _____
 CALENDAR YEAR _____

Total monthly water diversions and return flow -- please indicate unit of measurement:

* If return flows are estimated, the method used is (check one):
 as set forth in the contract
 other method (enclose an explanation of method used).

New diversion point(s) added during the calendar year _____

Report certified correct and submitted by:

 Name Telephone number Date: _____

Note: Completed report should be submitted, by the date set forth in the water delivery contract, to the Regional Director, Attn: BCOO-4200, Bureau of Reclamation, PO Box 61470, Boulder City, NV 89006.

INSTRUCTIONS FOR COMPLETING FORM LC-72A

Paperwork Reduction Act Statement: This information is being collected to prepare and maintain complete, detailed, and accurate records of diversions of Colorado River water, return flow to the river, and consumptive use in compliance with the decree entered by the Supreme Court on March 9, 1964 (376 U.S. 340) in *Arizona v. California*. Response to this request is required in order to obtain a benefit in accordance with Section 5 of the Boulder Canyon Project Act (BCPA) of December 21, 1928 (45 Stat. 1057, 43 U.S.C. 617). An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the form displays a currently valid Office of Management and Budget (OMB) control number.

Estimated Burden Statement: Public reporting burden for this form is estimated to be 30 minutes per response for each monthly report, and 3 hours per response for the annual report, including the time for reviewing instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding the burden estimate or any other aspect of this form to the Bureau of Reclamation, Boulder Canyon Operations Office, Attention: BCOO-4445, P.O. Box 61470, Boulder City, NV 89006-1470.

Instructions: Please type or print legibly the following information:

1. In the top section of this form
 - a. Name of the Contractor
 - b. Contract number of contract for delivery of Colorado River water
 - c. Name of the Lower Division State within which the Contractor's entitlement is included (Arizona, California, or Nevada)
 - d. Calendar year for which the form is being completed

2. In the middle section of this form:
 - a. A checkmark to indicate the unit of measurement
 - b. Column a - diversions from river intakes, if any, during each month and the annual total
 - c. Column b - diversions from wells, if any, during each month and the annual total
 - d. Column c - metered return flows, if any, during each month and the annual total
 - e. Column d - estimated return flows, if any, during each month and the annual total
 - f. The grand total of annual diversions (sum of columns a and b)
 - g. The grand total of annual return flows (sum of columns c and d)

3. In the bottom section of this form:
 - a. If return flows are estimated, a checkmark to indicate whether the method used is as set forth in the contract or by another method. If another method is used, please provide information about the method used
 - b. List any new point(s) of diversion added during the calendar year
 - c. The name of the person submitting this report and a telephone number of someone to contact in case of questions
 - d. The date the form is completed

4. Return the completed Form LC-72A to the address shown at the bottom of the form.

 _____ other method (enclose an explanation of method used).

New diversion point(s) added during the calendar year _____

Report certified correct and submitted by:

Name Telephone number Date: _____

Note: Completed form and payment of the annual diversion fee and contract administration charge should be submitted, by the date set forth in the water delivery contract, to the Regional Director, Attn: LC-7055, Bureau of Reclamation, P.O. Box 61470, Boulder City, NV 89006-1470.

Paperwork Reduction Act Statement: This information is being collected to prepare and maintain complete, detailed, and accurate records of diversions of Colorado River water, return flow to the river, and consumptive use in compliance with the decree entered by the Supreme Court on March 9, 1964 (376 U.S. 340) in *Arizona v. California*. Response to this request is required in order to obtain a benefit in accordance with Section 5 of the Boulder Canyon Project Act (BCPA) of December 21, 1928 (45 Stat. 1057, 43 U.S.C. 617). An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the form displays a currently valid Office of Management and Budget (OMB) control number.

Estimated Burden Statement: Public reporting burden for this form is estimated to be 4 hours, per response, including the time for reviewing instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding the burden estimate or any other aspect of this form to the Bureau of Reclamation, Boulder Canyon Operations Office, Attention: BCOO-4445, P.O. Box 61470, Boulder City, NV 89006-1470.

INSTRUCTIONS: Please type or print legibly the following information:

1. In the top section of this form:
 - a. Name of the Contractor
 - b. Contract number of contract for delivery of Colorado River water
 - c. Name of the Lower Division State within which the Contractor's entitlement is included (Arizona, California, or Nevada)
 - d. Calendar year for which the form is being completed
2. In the middle section of this form:
 - a. A checkmark to indicate the unit of measurement (**see note below**)
 - b. Column a - diversions from river intakes, if any, during each month and the annual total
 - c. Column b - diversions from wells, if any, during each month and the annual total
 - d. Column c - metered return flows, if any, during each month and the annual total
 - e. Column d - estimated return flows, if any, during each month and the annual total
 - f. The grand total of annual diversions (sum of columns a and b)
 - g. The grand total of annual return flows (sum of columns c and d)
3. In the bottom section of this form:
 - a. Line 1 - total amount of water diverted during the calendar year (**see note below**)
 - b. Line 2 - per acre-foot charge for water from the contract
 - c. Line 3 - annual water diversion charge (line 1 x line 2)
 - d. Line 4 - annual contract administration charge from the contract
 - e. Line 5 - sum of lines 3 and 4
 - f. If return flows are estimated, insert a checkmark to indicate whether the method used is as set forth in the contract or by another method. If another method is used, please provide information about the method used
 - g. List any new point(s) of diversion added during the calendar year
 - h. The name of the person submitting this report and a telephone number of someone to contact in case of questions
 - i. The date the form is completed
4. Return the completed Form LC-72B with a check payable to the Bureau of Reclamation in the amount shown on line 5 to the address shown at the bottom of the form.

Note: If a unit of measurement other than acre-feet is used, please convert the amount into acre-feet prior to calculating the charge for diversions. For example, 1 acre-foot equals 325,851 gallons, 43,560 cubic feet, 1,233.5 cubic meters, or 1,233,466.5 liters.
