

U.S. DEPARTMENT OF HOMELAND SECURITY U.S. COAST GUARD	Vessel Identification System	OMB No. 1625-0070 Exp: mm/dd/yyyy
---	-------------------------------------	--------------------------------------

Who must comply?	Governments of States and Territories.
What is this collection about?	The Coast Guard established a nationwide Vessel Identification System (VIS) and centralized certain vessel documentation functions. VIS provides participating States and Territories with access to data on vessels numbered by States and Territories. Participation in VIS is voluntary.
Where do I find the requirements for this information?	Title 33 CFR 187, is available at— http://ecfr.gpoaccess.gov , select TITLE 33 – NAVIGATION AND NAVIGABLE WATERS, and follow to Part 187.
When must information be submitted to the Coast Guard?	For States and Territories that elect to participate in VIS, information must be submitted in accordance with the regulations.
How is the information submitted?	Information must be submitted electronically.
What happens when complete information is received?	The Coast Guard uses the information submitted by States and Territories to update its centralized database. VIS provides participating States and Territories with access to data on vessels numbered by States and Territories.
For additional information —	Additional information about VIS is available at— http://cgmix.uscg.mil/VISInformation.aspx . Questions about VIS can be sent to Ervin.D.Boyd@uscg.mil .

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number.

The Coast Guard estimates that the average burden for this report is about 3 minutes. You may submit any comments concerning the accuracy of this burden estimate or any suggestions for reducing the burden to: Commandant (CG-542), U.S. Coast Guard, 2100 St., SW, Washington D.C. 20593-0001 or Office of Management and Budget, Paperwork Reduction Project (1625-0070), Washington, DC 20503.
