

Narrative of Revisions

The purpose of the Narrative of Revisions is to clearly indicate revisions to a collection since the previous approval

Collection Title: Barges Carrying Bulk Hazardous Materials

OMB Control No.: 1625-0104

Current Expiration Date: 01/31/2010

Collection Instruments: Instructions

The following listed below are revisions to the collection:

- USCG now uses the MISLE (Marine Information for Safety and Lay Enforcement) data base for vessel information instead of the MSIS (Marine Safety Information System)
- Increase in burden (respondents, burden hours). The increase is due to the use of the MISLE data base.
- USCG has created printable instructions for this collection of information.
- Updates have been provided for government cost and burden cost associated with this collection of information.
