<p><b>Other change**</b> The purpose of this change sheet is to comply with the provisions of a technical amendment to the Incarcerated Individual grant program signed by the President on July 1, 2009 (Pub.L. 111-39). This amendment altered the factors in the program's funding formula, and thus necessitated a change in the data collection which supports the calculations to determine allocations State by State. Each grantee will still complete one population data request form requesting slightly different population information.</p>
