U.S. Department of Education
Office of Postsecondary Education
Equity in Athletics Disclosure Act (EADA)
<http://surveys.ope.ed.gov/athletics>

The Equity in Athletics Disclosure Act (EADA) requires the Secretary of Education to collect information and provide to Congress a report on financial and statistical information on men's and women's collegiate sports. Each coeducational institution of higher education that participates in a Student Financial Aid (SFA) Program and has an intercollegiate athletic program must prepare an EADA report by October 15 each year.

The EADA is designed to make prospective students aware of the school commitment to providing equitable athletic opportunities for its men and women students. The EADA requires schools to make the report available upon request to students, potential students, and the public.

The Department of Education Athletic Disclosure Web Site allows institutions to fulfill this requirement.
