

# Instructions for General Account Form

*The Acid Rain Program and CAIR Trading Programs (CAIR NO<sub>x</sub> Annual, CAIR SO<sub>2</sub>, and CAIR NO<sub>x</sub> Ozone Season) regulations require any person, company, or organization wishing to open a general account for the purpose of holding and transferring allowances to submit a completed General Account form. You also may use this form to change the information previously submitted for a general account, such as the identity of the authorized account representative. In such cases, enter your allowance account identification number in the space provided at the top of the form. Note: A compliance account can only be established, and information concerning a compliance account can only be changed, by submitting a Certificate of Representation form.*

If you need assistance, call the Clean Air Markets Hotline at 202-343-9620.

**STEP 2** The owners may choose an alternate to act on behalf of the Authorized Account Representative.

**STEP 3** Identify all parties with an ownership interest in the allowances held in this account. All of these parties must be subject to a binding agreement authorizing the representation of the account by the authorized account representative, and, if applicable, the alternate authorized account representative, identified in Steps 1 and 2. If you (the authorized account representative) are the only person with an ownership interest in the allowances held in the account, list your name here. If additional space is needed, please attach a separate sheet of paper.

**STEP 4** If you are establishing a general account, both the authorized account representative and the alternate (if any) must sign and date the certifications. You are encouraged to use the CAMD Business System (CBS) to submit general account information online. To register for CBS, go to <https://camd.epa.gov/loginrequest/index.cfm>.
