LOANTYPE

RAM

Some people take out a special mortgage called a Reverse Annuity Mortgage or Home Equity Conversion Mortgage that borrows against the equity in their homes to give them retirement money or income. Some of these loans do not have to be paid back during the owner's lifetime because it will be paid back by the sale of the home when the estate is settled. Some provide monthly income over a specified period of time, after which it must be paid back.

Do you have this type of mortgage?

**PURPOSE1**

**This survey provides information about:**

- **The cost of housing for the American public.**
- **The availability of housing for different segments of the American public, such as the elderly, low income, and different minority groups.**
- **Trends in housing market. For example:**
  - + **What type of housing (single family homes, condominiums, townhouses, manufactured/mobile homes, etc.) are people buying?**
  - + **What type of fuels and appliances are being used?**
  - + **Is the quality of housing in this country improving or getting worse for most people?**
  - + **Is the cost of owning and maintaining a home changing?**
  - + **Is the cost of renting changing?**
  - + **Are people adding to their living space?**
  - + **What proportion of our population lives in overcrowded housing?**
  - + **Are neighborhoods getting better or worse?**
- **How close are we to our national goal of providing quality housing for each American?**
- **To provide data for the President to present an annual report to Congress.**

## **PURPOSE2**

**Some uses for the information are the following:**

- **To evaluate the effectiveness of existing housing programs.**
- **To plan new programs.**
- **To determine the amount of money required to solve different types of housing problems.**
- **To determine at what income level families of various sizes qualify for low-income housing assistance programs.**
- **To determine how much support low-or middle-income families should receive in the form of rent subsidies or mortgage assistance programs.**
- **To determine if existing mortgage programs are adequate.**
- **To provide data for the President to present an annual report to Congress.**

## **PURPOSE3**

◆ How he/she was selected:

- We selected an address, not you or your family.
- If you were to move, this address would remain in the survey, not your new one.

◆ Why we can't select someone else:

- Each address is scientifically selected to represent thousands of other housing units.

**PURPOSE7**

- Because of the survey, Federal funds are allocated more efficiently. The survey actually saves more money than it costs.
- Government programs, such as (Select any: mortgage assistance, loans, rent assistance, low-cost housing) exist or may exist in the future that you, or someone you know, might participate in.
- The survey results are used to evaluate our progress toward providing each American with decent housing.
