**THE PAPERWORK REDUCTION ACT** of 1995. This information is collected in accordance with section 3507 of the Paperwork Reduction Act of 1995. Accordingly, we may not conduct or sponsor, and you are not required to respond to a collection of information unless it displays a valid OMB number. We anticipate that the time expended by all individuals who complete this survey will average 5 minutes. This includes the time it will take to read instructions, gather the necessary facts and fill out the form. Customer satisfaction surveys are used to gauge customer perceptions of VA services as well as customer expectations and desires. The results of this survey will lead to improvement in the quality of service delivery by helping to shape the direction and focus of specific programs and services. Disclosure of information involves release of statistical data and other non-identifying data for the improvement of services within the VA healthcare system and associated administrative purposes.

**PRIVACY ACT INFORMATION:** The information requested on this form is solicited under the authority of Title 38, U.S.C., Part I, Chapter 5, Section 527 that authorizes the collection of data that will allow measurement and evaluation of the Department of Veterans Affairs Programs. The purpose(s) for collecting the information is to evaluate the effectiveness of the Chief Business Office (CBO) pilot project claims processing centralization effort and performance measures for non-VA Healthcare providers. This survey information will be used to improve customer satisfaction with the claims process. The information you provide will be used by the Department of Veterans Affairs to conduct a third-party survey through collaborative efforts by the Office of Health Information, Product Effectiveness and Chief Business Office (CBO) in accordance with the Millennium Bill legislation (Title 38 U.S.C. Section 1725). Your obligation to respond is voluntary. Information from the data collection will become part of a system of records that complies with the Privacy Act of 1974. This system is identified as "Veteran, Patient, Employee and Volunteer Research and Development Project Records -VA (34VA11)" as set forth in the Compilation of Privacy Act Issuances via online GPO access at <http://www.gpoaccess.gov/privacyact/index.html>.
