THE PAPERWORK REDUCTION ACT of 1995. This information is collected in accordance with section 3507 of the Paperwork Reduction Act of 1995. Accordingly, we may not conduct or sponsor, and you are not required to respond to a collection of information unless it displays a valid OMB number. We anticipate that the time expended by all individuals who complete this survey will average 5 minutes. This includes the time it will take to read instructions, gather the necessary facts and fill out the form. Customer satisfaction surveys are used to gauge customer perceptions of VA services as well as customer expectations and desires. The results of this survey will lead to improvement in the quality of service delivery by helping to shape the direction and focus of specific programs and services. Disclosure of information involves release of statistical data and other non-identifying data for the improvement of services within the VA healthcare system and associated administrative purposes. The information requested on this form is solicited under the authority of Title 38, U.S.C., Part I, Chapter 5, Section 527 that authorizes the collection of data that will allow measurement and evaluation of the Department of Veterans Affairs Programs. The purpose(s) for collecting the information is to evaluate the effectiveness of the Chief Business Office (CBO) pilot project claims processing centralization effort and performance measures for non-VA Healthcare providers. This survey information will be used to improve customer satisfaction with the claims process. The information you provide will be used by the Department of Veterans Affairs to conduct a third-party survey through collaborative efforts by the Office of Health Information, Product Effectiveness and Chief Business Office (CBO) in accordance with the Millennium Bill legislation (Title 38 U.S.C. Section 1725). Your obligation to respond is voluntary.

Mill Bill-FSC Claim Processing Pilot Program Healthcare Provider Satisfaction Survey

The U.S. Department of Veterans Affairs (VA) would like to gather your opinions on recent changes to the medical care submission process for emergency medical care claims. These changes involve the submission of claims to the Financial Services Center in Austin, Texas rather than your local VA Medical Center. This survey is being conducted to evaluate the new claims submission process, and will be used in decisions about further improvements to the process.

It should take you approximately 5 minutes to complete the survey. However, you can save your survey responses at any time by closing your browser, and then finish the survey at a later time. Your participation is voluntary and your individual responses will remain anonymous with no identifiable information collected from you. Your participation is very important in helping us understand the new process and identify areas for improvement.

The OMB control number for this public information request is XXXX-XXXX. If you have questions about the survey, please send an email to {TBD EMAIL ADDRESS}

Thank you in advance for your participation!
