Annual acreage and production estimates for dry onions will be published in early January by the National Agricultural Statistics Service. Your voluntary cooperation is needed to help us prepare reliable estimates of the onion crop. You are the best source of this information. If you did not grow onions this year, please let us know so we can update our records. As with all of our surveys, your data is held confidential and used only in arriving at state and national totals.

Please make corrections in name, address and zip code.

Please use the enclosed postage-paid envelope to return the questionnaire, or simply fax the form to 1-202-690-2090.
