### Crops harvested from October to December for the Fresh Market

The information requested in this survey is needed to prepare the fresh market vegetable estimates for the year. Response is **voluntary** and not required by law. However, your report is needed to make the estimates as accurate as possible.

Please complete and return this report in the enclosed envelope which does not need a stamp. Your individual report is **confidential** and used only with other reports for statistical purposes. Thank you for your cooperation.

*Please make corrections to name, address and Zip Code, if necessary.*

#### INSTRUCTIONS:

- Report for the fall season that extends from **October** through **December**.
- Include acres that may be harvested slightly before or just after the period.
- Report for all land operated, including land rented from others.
- If you **DO NOT** grow the crop, please check  **Crop Not Grown** Box.
