Expires:

PULPWOOD RECEIVED

Calendar Year _____

Plant Name: _____ No. of Employees: _____

Mailing Address: _____
(P. O. Box, Street or Route) (City) (State) (Zip)

e-mail: _____ Fax: _____

Web Address: _____

Plant Location: _____
(City) (County) (State)

Instructions: This form is for reporting the quantity of pulpwood—roundwood, chips, sawdust, and other byproducts received by this plant during year, and the disposition of bark from unpeeled pulpwood.

REPORT ONLY WOOD PURCHASED FOR THE MANUFACTURE OF PULP.

"This survey is voluntary. While you are not required to respond, your cooperation is needed to make the results of the survey comprehensive, accurate, and timely."

Please complete the form and return it promptly in the accompanying envelope.
If complete records are not available, please give your best estimates.

All replies will be held confidential and will be used only for statistical reports.

Check here if you wish to receive a copy of the report resulting from this study.

Person to be contacted if necessary regarding this report.

Name: _____ Title: _____

Telephone Number: _____ Date: _____

Section II—Plant byproducts received
(Indicate unit of measure in table below)

Origin of byproduct (State)	Wood chips		Sawdust		Other byproducts*	
	Softwood	Hardwood	Softwood	Hardwood	Softwood	Hardwood
Total						

Unit of measure used above in reporting plant byproducts
(Check appropriate line)

Unit of measure	Wood chips from plant byproducts	Sawdust	Other byproducts
Standard cord (128 cu. ft.)	_____	_____	_____
Cunits (100 cu. ft. solid wood)	_____	_____	_____
Ovendry tons (2,000 pounds)	_____	_____	_____
Green tons (2,000 pounds)	_____	_____	_____
Other (specify)	_____	_____	_____

* Specify type of other byproduct _____
(Veneer cores, pole ends, slabwood, etc.)

Section III—Uses of bark.

Instructions: Please enter your best estimate of the percentage of bark that was used for the various purposes indicated.

Use of bark	Softwood (percent)	Hardwood (percent)
1. For manufacture of fiber products such as pulp, hardboard, or roofing felt		
2. For charcoal or chemical wood		
3. For industrial fuel at this or other plants		
4. For miscellaneous uses such as livestock bedding and mulch		
5. Other uses (Specify) _____		
6. Not used (including bark burned as waste)		
Total		

Section IV—Bark sold or used.

Instructions: Please enter your best estimate of the total volume of bark sold to other companies or individuals or used by your company.

Unit of measure	Total quantity of bark	
	Softwood	Hardwood
1. Cubic feet		
2. Green tons		
3. Dry tons		

Check if sold to other companies

Check if used by your mill

Public reporting burden for this collection of information is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Department of Agriculture, Clearance Officer, OIRM, Room 404–W, Washington, D. C. 20250; and to the Office of Management and Budget, Paperwork Reduction Project (OMB# 0596-0010), Washington, D. C. 20503.
