Bureau of Business and Economic Research Gallagher Business Building, Room 231 The University of Montana Missoula, Montana 59812-6840 OMB No. 0596-0010 Expires 12-31-09

STATE YEAR—Pulp & Board

Forest Industries Data Collection System

GENERAL INSTRUCTIONS

The objective of this survey is to collect and compile basic data on the source and volume of raw materials used by the forest products industry in STATE and the volumes and types of finished wood products produced in the state. Figures from individual firms will be held strictly confidential. Only summarized data for the industry and for geographic areas will be made available. This report is authorized by Public Law 98-378. While you are not required to respond, your cooperation is needed to make the results of this study comprehensive, accurate, and timely.

Please fill out the attached questionnaire as completely and accurately as you can. Some of the items may not apply to your firm's operations. In that case, please proceed to the next item.

If you have questions concerning the completion of this questionnaire, please call toll free to Steve Hayes, Todd Morgan, or Jason Brandt, Bureau of Business and Economic Research, 1-877-700-2237 for assistance.

When you have completed the questionnaire, please mail the questionnaire in the enclosed postage-paid reply envelope to the Bureau of Business and Economic Research, or fax to (406) 243-2086.

Thank you for your cooperation and assistance. You will be mailed a report when it is complete.

Public reporting burden for this collection of information is estimated to average 50 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Department of Agriculture, Clearance Officer, OIRM, Room 404-W. Washington, DC 20250; and to the Office of Management and Budget, Paperwork Reduction Project (OMB# 0596-0010), Washington, DC 20503.

I. Plant Profile

Please complete a separate questionnaire for each plant

A.	Plant name
B.	Mailing address
C.	Location (if different from mailing address above)
	Street address
	City or town County
D.	Name of person completing questionnaire
	title
	telephone number
E.	Type of plant (check one): Pulp Mill, Paper Mill, Particleboard,
	OSB, Hardboard,Medium Density Fiber Board,
	Chipping Mill, Other (specify type)
F.	What year did your facility open?
	Was this facility active in YEAR?
G.	Shift and annual production capacity of your mill in YEAR estimate capacity after considering normal maintenance and down time in other words, the amount you could have produced if you had sufficient supplies of raw materials and firm market demand for your products.
	Shift Annual
	<u>Capacity</u> <u>Capacity</u>
	Production capacity (specify units):
	Other capacity: (specify units):
H.	How many days did your facility operate in YEAR # of shifts / day
l.	Hours per shift
J.	On average, how many employees worked at your facility in YEAR
	Production workers including line supervisors
	Administrative and clerical workers

	If you do not process timber in roundwood form skip to Question II F
K.	For your timber receipts for YEAR, percentage of volume from logs that had a small-end diameter of:
	% < 4 inches% 4 to 7 inches% 7 to 10 inches
	% 10 to 24 inches% > 24 inches
	Minimum small-end diameter accepted:inches; preferred:inches
	Maximum large-end diameter accepted:inches; preferred:inches
L.	Lengths of logs used in operation:
	Minimumfeet
	Preferredfeet
	Maximumfeet
	Multiples of:feet
	Other

II. Flow of Raw Materials in Calendar YEAR

A. Please indicate the volume of **timber** received by your mill in calendar year YEAR. Indicate the product type (<u>sawlog, pulpwood, etc.</u>), state and county of origin, and ownership source (<u>industrial private, non-industrial private, state, tribal, Bureau of Land Management, Forest Service: specify forest</u>). Timber receipts from the same county and ownership source may be combined. Report volumes in thousand board feet Scribner (MBF), specify <u>Eastside or Westside Scale</u> or if other units are used, please specify units of measure. This is for <u>timber in round form</u> and not other raw material received.

*If your operation did not receive any roundwood raw material go to part IIF

Product Type	<u>Volume</u>	State and County (for non-U.S. logs list country of origin)	<u>Ownership</u>
		(10) FIGH C.S. 1093 list country of origin)

II. Flow of Raw Materials in Calendar YEAR (continued)

F. Please indicate the raw material type (**chips**, **sawdust**, **shavings**, **bark**, **recycled**) **NOT ROUNDWOOD** received for **manufacture of product**, the volume received (**specify units** – green tons, dry tons, BDU, cubic yards, etc.) and the state or country (**if from outside the U.S.**)

Raw material Type	Volume (specify units)	State or Country (if outside the U.S.)

G. Please indicate the raw material type (chips, sawdust, shavings, bark, recycled) NOT ROUNDWOOD received for <u>fuel</u>, the volume received (specify units) and the state or country (if from outside the U.S.)

Fuel material Type	Volume (specify units)	State or Country (if outside the U.S.)

III. Flow of Finished Products in YEAR

A. Please indicate the volume and sales value (f.o.b. your mill) of products produced and shipped by your mill in YEAR, and indicate the percentage of shipments to each geographic region, using the map on the next page for reference.

------ Market Areas ------Total Sales Rocky Far North-North-Pacific Other **STATE Product Type** Volume & units Mountain South Canad Rim Value West <u>east</u> Countries Central <u>a</u> Countries Pulp Paper Particleboard **OSB** Waferboard Hardboard **MDF** Clean Chips Other Other_ Other

III. Flow of Finished Products in YEAR (continued)

B. Please indicate the volume of mill residues produced and sold by your facility in YEAR, residue sales in and out of state, and how the residue was used .

				Market Area		Indicate How Residue Was Used (please account for 100 percent of volume produced)				
Product Typ	Volume <u>Produce</u>			Sales of Residue in Mill's state	Sales of Residue in Other States	Raw Material for Pulp or Board	Internal Hogfuel/Biomass Energy	Sold for Hogfuel/Biomass Energy/Firewood	Unused	Other Use Specify
