

## REQUEST FOR IFQ LANDING LOCATION

NMFS' Office of Law Enforcement must approve a landing location prior to landing or offloading IFQ species at these sites. Proposed landing locations can be submitted at any time. However, new landing locations will be approved only at the end of each calendar-year quarter. To have a landing location approved by the end of the calendar-year quarter, it must be submitted at least 45 days before the end of the calendar-year quarter. Landing locations must be publicly accessible by land and water, and they must have a street address. If a particular landing location has no street address on record, global positioning system (GPS) coordinates for an identifiable geographic location must be provided.
