

Cigarette smokers needed for studies

at Battelle's Towson office.

You must be a current, regular smoker at least 18 years of age, in good health, willing to answer questions, provide biologic samples, and smoke cigarettes in our lab.

Call 410.372.2784 or 1.866.264.0012

HEALTH WARNING: Quitting smoking now greatly reduces serious risks to your health. Smoking causes lung cancer, heart disease, and emphysema and may complicate pregnancy. Smoking by pregnant women may result in fetal injury, premature birth, and low birth weight.
