Please indicate beginning and end years during which these events occurred.

Title (Required)

Description (Required)

Please provide a story related to trainee's career development not captured by any one metric in CareerTrac.

Components of trainee's success story might include examples of how FIC training program has enhanced international research collaborations; contributed to in-country research and public health capacity; helped prepare for testing of candidate vaccines and other interventions; or contributed to knowledge about scientific or cultural dimensions of disease. Please mention the country(ies) where these events occurred. Please reference any evidence (e.g. publications, newspaper articles) that are related to these "Success Stories".

Career Highlight Example

Country: Mexico. Eleanor Millstone, MD, PhD: Graduate of the XYZ Fogarty research training program, received four medals from the government of Mexico in recognition of her achievements in controlling both HIV/AIDS and TB in Mexico. She also recently received and accepted a request to become the Chair of the Mexico AIDS Committee. She has submitted and received several US grants to conduct AIDS research in Mexico. These are listed under "Accomplishments: National Competitive Funding".
