2.2. Describe the current State efforts to provide or obtain creditable health coverage for uncovered children by addressing: (Section 2102(a)(2) and 42 CFR 457.80(b))

2.2.1. The steps the State is currently taking to identify and enroll all uncovered children who are eligible to participate in public health insurance programs (i.e., Medicaid and State-only child health insurance):

Section 4. Eligibility Standards and Methodology. (Section 2102(b))

4.1. The following standards may be used to determine eligibility of targeted low-income children for child health assistance under the plan. Please note whether any of the following standards are used and check all that apply. If applicable, describe the criteria that will be used to apply the standard. (Section 2102(b)(1)(A), 42 CFR 457.305(a), and 457.320(a))

4.1.1. Geographic area served by the Plan:

4.1.2. Age:

4.1.3. Income:

4.1.4. Resources (including any standards relating to spend downs and disposition of resources):

4.1.5. Residency (as long as residency requirement is not based on length of time in State) :

4.1.6. Disability Status (so long as any standard relating to disability status does not restrict eligibility):

4.1.7. Access to or coverage under other health coverage:

4.1.8. Duration of eligibility:

4.1.9. Other standards (identify and describe):

4.1-P . The State includes eligibility for one or more populations of targeted low-income pregnant women under the plan. *Please describe the population of pregnant women that the State proposes to cover in this section. same reference number system for those criteria (for example, 4.1.1-P for a geographic restriction).

4.2. The State assures that it has made the following findings with respect to the eligibility standards in its plan: (Section 2102(b)(1)(B) and 42 CFR 457.320(b))

4.2.1. These standards do not discriminate on the basis of diagnosis.

4.2.2. Within a defined group of covered targeted low-income children, these standards do not cover children of higher income families without covering children with a lower family income. ***Please confirm that this applies to pregnant women as well as targeted low-income children.***

4.2.3. These standards do not deny eligibility based on a child having a pre-existing medical condition. ***Please confirm that this applies to pregnant women as well as targeted low-income children.***

4.3. Describe the methods of establishing eligibility and continuing enrollment. (Section 2102(b)(2) and 42 CFR 457.350)

4.3.1 Describe the State's policies governing enrollment caps and waiting lists (if any). (Section 2106(b)(7) and 42 CFR 457.305(b))

Check here if this section does not apply to your State.

Please note that this box should be checked as related to children because States may not have an enrollment cap or waiting list for children and cover pregnant women.

4.4. Describe the procedures that assure that:

4.4.1. Through the screening procedures used at intake and follow-up eligibility determination, including any periodic redetermination, that only targeted low-income children who are ineligible for Medicaid or not covered under a group health plan or health insurance coverage (including access to a State health benefits plan) are furnished child health assistance under the State child health plan. (Sections 2102(b)(3)(A), 2110(b)(2)(B), 42 CFR 457.310(b), 42 CFR 457.350(a)(1), and 457.80(c)(3))

Please confirm that the State does not apply a waiting period for pregnant women.
