

RSI/DI QUALITY REVIEW CASE ANALYSIS - AUXILIARIES/SURVIVORS

NOTE TO REVIEWER: In opening the interview, ask if the beneficiaries received an appointment letter. If the letter was not received, show the beneficiaries a copy of the letter. Explain that this case is one of a small number collected by chance for review, and that the purpose of this review is to find out how well the social security program is working. Stress that this case was not selected because there was any question about it. Tell them that the review consists of asking questions about their entitlement to social security benefits and that we need to talk to others who have information about their entitlement. If necessary, point out that the Social Security Administration is authorized by law to review from time to time the entitlement of beneficiaries.

See Revised PRA, Attached
