ACSI Questionnaire for Government Services

(For input to model in Figure 2)

INTRODUCTION

Hello, I'm (NAME) calling on behalf of the University of Michigan. We are conducting research on how satisfied users are with services provided by Federal government agencies and private companies as part of the American Customer Satisfaction Index. You may have read something about the American Customer Satisfaction Index in *USA Today*, *The Wall Street Journal*, or your local newspaper.

Today I want to ask you about services you may have received from the (AGENCY/PROGRAM). The purpose of the research is to help this government agency improve its services to you and to people like you. Your answers are voluntary, but your opinions are very important for this research. Your response will remain completely anonymous. This interview will take 8-10 minutes* and is authorized by Office of Management and Budget Control No. 1090-0007.
