

**SUPPORTING STATEMENT
(Schedule H Form 1040)**

1. CIRCUMSTANCES NECESSITATING COLLECTION OF INFORMATION

IRC sections 6011 and 6012 of the Internal Revenue Code require individuals to prepare and file income tax returns annually. Form 1040 and related schedules, are used by individuals to report their income subject to tax and compute their correct tax liability.

Schedule H (Form 1040), is used to report gross income, expenses, and net profit or loss from operating a farm business as a sole proprietorship.

2. USE OF DATA

Schedule H (Form 1040), will be used in computing the tax liability and in determining that the items claimed are properly allowable. It is also used for general statistical use.

3. USE OF IMPROVED INFORMATION TECHNOLOGY TO REDUCE BURDEN

We are offering electronic filing for Schedule H (Form 1040).

4. EFFORTS TO IDENTIFY DUPLICATION

We have attempted to eliminate duplication within the agency wherever possible.

5. METHODS TO MINIMIZE BURDEN ON SMALL BUSINESSES OR OTHER SMALL ENTITIES

Not applicable.

6. CONSEQUENCES OF LESS FREQUENT COLLECTION ON FEDERAL PROGRAMS OR POLICY ACTIVITIES

Not applicable.

7. SPECIAL CIRCUMSTANCES REQUIRING DATA COLLECTION TO BE INCONSISTENT WITH GUIDELINES IN 5 CFR 1320.5(d)(2)

Not applicable.

8. CONSULTATION WITH INDIVIDUALS OUTSIDE OF THE AGENCY ON AVAILABILITY OF DATA, FREQUENCY OF COLLECTION, CLARITY OF INSTRUCTIONS AND FORMS, AND DATA ELEMENTS

Periodic meetings are held between IRS personnel and representatives of the American Bar Association, the National Society of Public Accountants, the American Institute of Certified Public Accountants, and other professional groups to discuss tax law and tax forms. During these meetings, there is an opportunity for those attending to make comments regarding Schedule F (Form 1040).

In response to the Federal Register notice dated June 6, 2009, (74 FR 27238), we received no comments during the comment period regarding Schedule F (Form 1040).

9. EXPLANATION OF DECISION TO PROVIDE ANY PAYMENT OR GIFT TO RESPONDENTS

Not applicable.

10. ASSURANCE OF CONFIDENTIALITY OF RESPONSES

Generally, tax returns and tax return information are confidential as required by 26 USC 6103.

11. JUSTIFICATION OF SENSITIVE QUESTIONS

Not applicable.

12. ESTIMATED BURDEN OF INFORMATION COLLECTION

List the number of responses, time per response, and total burden for each form included in the submission. The burden estimate is as follows:

<u>Form</u>	<u>Number of Responses</u>	<u>Time per Response</u>	<u>Total Hours</u>
Schedule H	168,434	4 hrs., 22 mins.	734,373

Estimates of the annualized cost to respondents for the hour burdens shown are not available at this time.

13. ESTIMATED TOTAL ANNUAL COST BURDEN TO RESPONDENTS

As suggested by OMB, our Federal Register notice dated June 6, 2009, (74 FR 27238), requested public comments on estimates of cost burden that are not captured in the estimates of burden hours, i.e., estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information. However, we did not receive any response from taxpayers on this subject. As a result, estimates of the cost burdens are not available at this time.

14. ESTIMATED ANNUALIZED COST TO THE FEDERAL GOVERNMENT

After consultation with various functions within the Service, we have determined that the cost of developing, printing, processing, distribution and overhead for the form is \$15,000,000.

15. REASONS FOR CHANGE IN BURDEN

The burden was updated in October of 2008 and a PDF file of this new burden was submitted in the change request, however, the numbers did not change in the Rocis database, which caused the present inconsistencies.

In addition to those changes, the form has been updated in anticipation of the Department of Labor declaring that Michigan will be subject to a credit reduction in accordance with IRC 3302, which resulted in the addition of a checkbox. Regulation 31.3302(c) has increased the number of filers by 2,112.

The new burden total for this collection is 734,373 hours.

16. PLANS FOR TABULATION, STATISTICAL ANALYSIS AND PUBLICATION

Not applicable.

17. REASONS WHY DISPLAYING THE OMB EXPIRATION DATE IS INAPPROPRIATE

See attachment.

18. EXCEPTIONS TO THE CERTIFICATION STATEMENT ON OMB FORM 83-I

Not applicable.

Note: The following paragraph applies to all of the collections of information in this submission:

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number. Books or records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

OMB EXPIRATION DATE

We believe the public interest will be better served by not printing an expiration date on the form(s) in this package.

Printing the expiration date on the form will result in increased costs because of the need to replace inventories that become obsolete by passage of the expiration date each time OMB approval is renewed. Without printing the expiration date, supplies of the form could continue to be used.

The time period during which the current edition of the form(s) in this package will continue to be usable cannot be predicted. It could easily span several cycles of review and OMB clearance renewal. In addition, usage fluctuates unpredictably. This makes it necessary to maintain a substantial inventory of forms in the supply line at all times. This includes supplies owned by both the Government and the public. Reprinting of the form cannot be reliably scheduled to coincide with an OMB approval expiration date. This form may be privately printed by users at their own expense. Some businesses print complex and expensive marginally punched continuous versions, their expense, for use in their computers. The form may be printed by commercial printers and stocked for sale. In such cases, printing the expiration date on the form could result in extra costs to the users.

Not printing the expiration date on the form(s) will also avoid confusion among taxpayers who may have identical forms with different expiration dates in their possession.

For the above reasons we request authorization to omit printing the expiration date on the form(s) in this package.
