SUPPORTING STATEMENT IRS Letter 109C

1. <u>CIRCUMSTANCES NECESSITATING COLLECTION OF INFORMATION</u>

The affidavit from the taxpayer is requested under penalty of perjury that if he or she receives a second refund check, it will be returned to the Service. The letter is used to indicate that we have not received a tax return and a request is made under Section 6011 and 6012.

2. <u>USE OF DATA</u>

The blank return is to be completed by the taxpayer and returned to the Service for processing as if it were the original. If not returned, the taxpayer could be delinquent and require the Service to prepare a "dummy" return to collect appropriate taxes.

3. <u>USE OF IMPROVED INFORMATION TECHNOLOGY TO REDUCE BURDEN</u>

IRS publication, regulations, notices and letters are to be electronically enabled on an as practicable basis in accordance with the IRS Reform and Restructuring Act of 1998.

4. <u>EFFORTS TO IDENTIFY DUPLICATION</u>

We have attempted to eliminate duplication within the agency wherever possible.

5. <u>METHODS TO MINIMIZE BURDEN ON SMALL BUSINESSES OR OTHER</u> <u>SMALL ENTITIES</u>

We have been unable to reduce the burden for small businesses.

6. <u>CONSEQUENCES OF LESS FREQUENT COLLECTION ON FEDERAL PROGRAMS</u> <u>OR POLICY ACTIVITIES</u>

Not applicable.

Letter 109C 18,223 .083 hours 1,513

Estimates of the annualized cost to respondents for the hour burdens shown are not available at this time.

13. ESTIMATED TOTAL ANNUAL COST BURDEN TO RESPONDENTS

As suggested by OMB, our Federal Register notice dated June 26, 2009 (74 FR 30685), requested public comments on estimates of cost burden that are not captured in the estimates of burden hours, i.e., estimates of capital or

start-up costs and costs of operation, maintenance, and purchase of services to provide information. However, we did not receive any response from taxpayers on this subject. As a result, estimates of the cost burdens are not available at this time.

14. ESTIMATED ANNUALIZED COST TO THE FEDERAL GOVERNMENT

The primary cost to the government consists of the cost of printing this letter. We estimate that the cost of printing the letter is \$900.

15. <u>REASONS FOR CHANGE IN BURDEN</u>

There is no change in the paperwork burden previously approved by OMB. We are making this submission to renew the OMB approval. Letter 109C is being submitted for renewal purposes.

16. PLANS FOR TABULATION, STATISTICAL ANALYSIS AND PUBLICATION

Not applicable.

17. <u>REASONS WHY DISPLAYING THE OMB EXPIRATION DATE IS</u> <u>INAPPROPRIATE</u>

See attachment.

17. EXCEPTIONS TO THE CERTIFICATION STATEMENT ON OMB FORM 83-I

Not applicable.

<u>Note:</u> The following paragraph applies to all of the collections of information in this submission:

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number. Books or records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

OMB EXPIRATION DATE

We believe the public interest will be better served by not printing an expiration date on the form(s) in this package.

Printing the expiration date on the form will result in increased costs because of the need to replace inventories that become obsolete by passage of the expiration date each time OMB approval is renewed. Without printing the expiration date, supplies of the form could continue to be used.

The time period during which the current edition of the form(s) in this package will continue to be usable cannot be predicted. It could easily span several cycles of review and OMB clearance renewal. In addition, usage fluctuates unpredictably. This makes it necessary to maintain a substantial inventory of forms in the supply line at all times. This includes supplied owned by both the Government and the public. Reprinting of the form cannot be reliably scheduled to coincide with an OMB approval expiration date. This form may be privately printed by users at their own expense. Some businesses print complex and expensive marginally punched continuous versions, their expense, for use in their computers. The form may be printed by commercial printers and stocked for sale. In such cases, printing the expiration date on the form could result in extra costs to the users.

Not printing the expiration date on the form(s) will also avoid confusion among taxpayers who may have identical forms with different expiration dates in their possession.

For the above reasons we request authorization to omit printing the expiration date on the form(s) in this package.
