-----  
The Department of Homeland Security, U.S. Citizenship and Immigration Services (USCIS) has submitted the following information collection request for review and clearance in accordance with the Paperwork Reduction Act of 1995. The information collection is published to obtain comments from the public and affected agencies. Comments are encouraged and will be accepted for sixty days until July 13, 2009.

During this 60-day period, USCIS will be evaluating whether to revise the Form N-4. Should USCIS decide to revise the Form N-4 we will advise the public when we publish the 30-day notice in the Federal Register in accordance with the Paperwork Reduction Act. The public will then have 30 days to comment on any revisions to the Form N-4.

Written comments and suggestions regarding items contained in this notice, and especially with regard to the estimated public burden and associated response time should be directed to the Department of Homeland Security (DHS), USCIS, Chief, Regulatory Products Division, Clearance Office, 111 Massachusetts Avenue, Washington, DC 20529-2210. Comments may also be submitted to DHS via facsimile to (202) 272-8352 or via e-mail at [rfs.regs@dhs.gov](mailto:rfs.regs@dhs.gov). When submitting comments by e-mail please make sure to add OMB Control Number 1615-0051 in the subject box.

Written comments and suggestions from the public and affected agencies should address one or more of the following four points:

(1) Evaluate whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agencies estimate of the burden of the collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this information collection:

(1) Type of Information Collection: Extension of an existing information collection.

(2) Title of the Form/Collection: Monthly Report Naturalization Papers.

(3) Agency form number, if any, and the applicable component of the Department of Homeland Security sponsoring the collection: Form N-4; U.S. Citizenship and Immigration Services.

This form provides a format for submitting a list of those persons to USCIS and provides accountability for the delivery of the certificates of naturalization as required under that section of law.
