

Good afternoon, Bridget:

We made a few slight revisions to the information collection #1820-0659 form after the 60-day comment period. The revisions include:

- revising the submission instructions (on page 1 of the instructions);
- replacing all references to NCLB to ESEA (throughout the document); and
- Removing the references to the OSEP Data Dictionary (on page 2 of the instructions).

For this reason, we submitted the form as a revised information collection. Thank you

Meredith
