

Dear Brother/Sister,

About 10 days ago we sent you materials for a survey concerning work schedules and sleep patterns of train and engine passenger service employees. The number of participants will determine the validity of the study results. Therefore, BLET/UTU is counting on your participation in this important study. Your response will help provide the statistical data necessary to better understand and mitigate fatigue-related issues specific to our craft.

If you have decided to participate, I thank you. If not, I hope you will reconsider. Upon completion of the survey, you will receive a \$75 gift certificate for your participation. Please return your completed materials by XXXX 2010.

In solidarity,
