In preparing final estimates of sugar and molasses production for the 2008 season, we are asking all sugar factory operators to give the information requested below. Response to this survey is voluntary and not required by law. However, cooperation is very important in order to estimate accurately in Louisiana. Your reply will be held confidential and combined with those from other factories in making estimates for Louisiana. Please mail or fax by November 24, 2009.

Please make corrections to name, address and Zip Code, if necessary.

1. Total quantity of all actual (commercial value) **SUGAR** marketed. Pounds 211

a. **Polarization** of this sugar marketed. Degrees 212
