

FROM THE DIRECTOR  
U.S. CENSUS BUREAU

The U.S. Census Bureau is currently conducting its 2007 School District Finance Survey. We conduct this survey in order to make available up-to-date information needed by Congress, state legislators, finance officers, state and local professional and research organizations, and many others.

State educational agencies report most of the school finance data requested for this survey. State financial reports, however, do not contain details regarding school district long-term and short-term debt.

The reverse side of this letter lists the detailed information about the school district debt data that we need. Please complete these items and return this letter in the enclosed addressed envelope within four weeks.

The Census Bureau appreciates your help in this voluntary survey. Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read "Charles Louis Kincannon".

Charles Louis Kincannon
