## CAHPS III Reports Team Experimental Research: <u>Web Post-Exposure Survey for Consumer Choice Experiment</u> Clinician Experiment – Post-Test Experimental Arm 1

1. How easy or difficult was it for you to use the website?

Very eas	y Somewhat easy	Neither easy nor difficult	Somewhat difficult	Very difficult			
2. How ea	asy or difficult was i	t for you to select a docto	r?				
Very eas	y Somewhat easy	Neither easy nor difficult	Somewhat difficult	Very difficult			
За. Но	w satisfied were you	with the choice of docto	rs available to you?				
Ve	www.cotictiod	omewhat Neither sati atisfied nor dissatis		Very dissatisfied			
	If you checked <b>Somewhat dissatisfied</b> or <b>Very dissatisfied:</b> Why were you dissatisfied with the choices available to you?						
		access to a website like th would you be to use this v	5	to choose a doctor			

Definitely	Probably	Not sure	Probably would	Definitely would
would use	would use		<u>not</u> use	<u>not</u> use

5. Would you recommend that your friends and family use a website like this one when they make their own choices about a primary care doctor?

6. We're interested in knowing what you remember about the website and how useful the information was. This question is about **service quality, or what patients typically report when surveyed about their care and experiences with their doctors and office staff.** This type of information comes from a survey of a scientific sample of each doctor's patients.

Types of Information About Doctors	Do you <u>remember</u> seeing this information?		<i>If you <u>do remember</u> seeing the information:</i> How easy or difficult was it to tell which doctors were best using this information?				
	No	Yes 🗲	Very Easy	Somewhat Easy	Somewhat Difficult	Very Difficult	
<b>a</b> . The courtesy and helpfulness of the doctor's office staff.		□→					
<b>b</b> . The doctor's ability to communicate.		□→					
<b>c</b> . Getting appointments and health care from the doctor when needed.		□→					
<b>d</b> . Patients' ratings of the doctor.		□→					

7. We're interested in knowing what you remember about the website and how useful the information was. This question is about **information on how closely a doctor's treatment matches the care provided by the best doctors.** This type of information comes from records of the care doctors have provided to patients with certain common medical conditions.

Types of Information About Doctors		Do you <u>remember</u> seeing this information?		<i>If you <u>do remember</u> seeing the information</i> : How easy or difficult was it to tell which doctors were best using this information?			
		No	Yes 🗲	Very Easy	Somewhat Easy	Somewhat Difficult	Very Difficult
a.	How often the doctor provides the type of preventive care recommended by experts.		□→				
b.	How often the doctor provides the type of care recommended by experts for particular medical conditions such as asthma, diabetes and heart disease.		□→				

8. The website provided information from a survey of a scientific sample of patients who had visited the doctors. How useful was this survey information in helping you select a doctor?

Very	Somewhat	Not very	Not at all
useful	Useful	Useful	useful

9. If you said **"Not very useful"** or **"Not at all useful"**: Why wasn't the survey information useful to you?

10. The website provided information about how closely doctors' treatments matched the care provided by the best doctors. How useful was this information in helping you select a doctor?

Very	Somewhat	Not very	Not at all
useful	Useful	Useful	useful

1.		5	5	asn't the information on the best doctors useful to
2.	How much do you the listed there?	think the information on	the website told you ab	out the <b>quality</b> of each doctor
2.	0	think the information on A little	the website told you ab Nothing	out the <b>quality</b> of each doctor Don't know

We'd like to ask you some questions about how you usually make decisions in your life. Please indicate how much you agree or disagree with each of the following statements:

		Completely disagree	Somewhat disagree	Neither agree nor disagree	Somewhat agree	Completely agree
13.	Whenever I make a choice, I'm curious about what would have happened if I had chosen differently.					
14.	Whenever I make a choice, I try to get information about how the other alternatives turned out.					
15.	If I make a choice and it turns out well, I still feel like something of a failure if I find out that the other choice would have turned out better.					
16.	When I think about how I'm doing in life, I often assess opportunities I have passed up.					
17.	Once I make a decision, I don't look back.					
18.	When I watch TV, I channel search, often scanning through the available options even while attempting to watch one program.					
19.	While I am in the car listening to the radio, I often check other stations to see if something better is playing, even if I'm relatively satisfied with what I'm listening to.					
20.	Renting movies is really difficult. I'm always struggling to pick the best one.					

		Completely disagree	Somewhat disagree	Neither agree nor disagree	Somewhat agree	Completely agree
21.	No matter what I do, I have the highest standards for myself.					
22.	I never settle for second best.					
23.	When making decisions, I rely on my instincts.					
24.	I often need the assistance of other people when making important decisions.					
25.	I avoid making important decisions until the pressure is on.					
26.	I make decisions in a logical and systematic way.					
27.	I rarely make important decisions without consulting other people.					
28.	My decision-making requires careful thought.					
29.	When I make a decision, I trust my inner feelings and reactions.					
30.	I often procrastinate when it comes to making important decisions.					
31.	I use the advice of other people in making my important decisions.					

Finally, we'd like to learn more about how you make decisions about consumer products. The information below represents a choice among <u>DVD players</u>. The ratings run from 1=Very Low to 3= Average to 5=Very High, with a *higher number signifying better product performance*.

	Features							
DVD Brand	Picture	Sound	Programming	Reliability of	Price			
	Quality	Quality	Options	Brand	FILCE			
Α	2	5	5	1	\$199			
В	1	2	5	2	\$199			
С	5	5	4	2	\$199			
D	3	3	5	3	\$199			
E	2	5	2	4	\$199			

32. If one of your friends told you that he wanted to buy the most reliable DVD of this bunch, which would you recommend that he select?

Brand A

Brand B

📙 Brand C

🗌 Brand D

- Brand E
- 33. If another friend told you that she wanted to buy a DVD with the very highest sound quality and, among those with the best sound, the one with the best programming options, which would you recommend that she select?
  - Brand A

Brand B

Brand C

Brand D

Brand E

- 34. If a different friend told you that he cared about all these features equally and wanted to buy the DVD that had the best scores overall, which would you suggest that he select?
  - Brand A

Brand B

Brand C

Brand D

Brand E

35. If one other friend told you that she wanted a DVD that scored no worse than average on *every* feature, which would you advise her to select?

Brand A Brand B Brand C Brand D Brand E

These two questions are about you and will help us to describe all the people we interview.

36. Are you Hispanic or Latino/Latina?

37. What is your race? Please mark one or more.

□ Asian

□ Native Hawaiian or Other Pacific Islander

□ White
