2009 SURVEY YEAR

>INSAVAIL<

For this study, a health insurance plan is hospital and/or physician coverage made available to employees.

Did your organization make available or contribute to the cost of any health insurance plans for its ACTIVE employees at your [fill address] location in 2009?

- (1) Yes
- (2) No

>INSAVAIL_PROBE<

We include any coverage provided through a union, insurance carrier, professional association, or coverage self-insured by your organization. Did your organization make health insurance available through any of these methods in 2009?

- (1) Yes
- (2) No

>REFCONVERT<

This very important study is of national concern since it will have an impact on each and every one of our lives. It is very important that we have your cooperation to ensure the validity and accuracy of the data. Please be assured that all of your responses will be kept strictly confidential. May we please continue?

- (1) Yes
- (2) No

>MAYWEMAIL<

May I have the name of the contact person and mailing address where we can send the questionnaire?

- (1) Yes
- (2) No

>HOWMANYPLANS<

How many different health insurance plan choices did your organization make available or contribute to for its ACTIVE employees at your (fill address) location during the 2009 plan year?

READ IF NECESSARY: We only count comprehensive plans which cover hospital and/or physician coverage.

Single, employee-plus-one, and family coverage providing the same level of benefits are considered one plan. High and standard options under the same plan are considered 2 plans. An HMO and a conventional plan are considered 2 plans.

Number of Plans:

>STATEREPORT< (Govs)

Is there someone located at your government unit who would be able to provide information about the state sponsored health insurance plan(s) such as the type of provider arrangement, premiums, deductibles and enrollments?

- (1) Yes
- (2) No

>ZEROPLANPROBE<

The number of health plans should include any variety of options offered by a health insurance carrier which cover hospital stays and/or physician care. These options may cover differing levels of benefits.

Only comprehensive plans should be included.

Employers do not need to contribute to the plan premium in order for it to be counted.

Would you like to change your answer from the zero plans reported?

- (1) Yes
- (2) No

>LOCATIONEMP<

For this study, we define an "employee" as any worker for whom your organization withheld taxes including owners, part-time, and seasonal employees. We do not include former employees, leased or contract workers, or retirees.

Approximately, how many employees were on your organization's payroll at the location I mentioned earlier for a typical pay period in 2009?

Note: Do not attempt a new contact if this is the only item the respondent cannot answer.

Number of Employees:

>EMPZERO<

Please keep in mind that the period of reference for this study is a typical pay period in 2009. Include anyone for whom taxes were withheld. Include the owner as an employee if the owner works the majority of the time at this location. We also include all full- or part-time, temporary and seasonal employees as well as members of any union who are employed by your organization.

Would you like to change your answer from the zero employees reported?
